Problem – Solution Fit Template:

What is it?

It means we found a real problem that people have, and our assistant gives a solution that actually helps them.

Purpose:

- ✓ **Solve real problems** that city people face in daily life.
- ✓ **Make the solution easy to use**, matching how people already behave.
- ✓ **Use the right words and ideas** so people understand and like the assistant.
- ✓ **Build trust** by solving problems that matter, like pollution, traffic, and energy use.
- ✓ **Understand people better** so we can improve their city life.
